

Out-of-state Licensure and Certification

Reynolds has entered into a regional reciprocity agreement through [NC-SARA](#) to accept out-of-state students in our online programs and courses.

Reynolds' Student Complaint Policy is described on the [Student Policies webpage](#) and within the catalogue. Reynolds strives to provide the highest quality educational opportunities available. However, if a conflict does arise, our efforts are meant to resolve grievances, complaints, and concerns in an expeditious, fair, and amicable manner. Students should follow carefully the steps outlined in the [Student Complaint Policy](#) to ensure proper and timely resolution of their complaint. Complaints must follow the college's customary resolution procedure prior to being referred to [SCHEV](#).

The following information is intended to publicly disclose any Reynolds program, no matter the method of delivery, designed to meet educational requirements for specific professional licensure or certification that is required for employment or is marketed as such. The impacted programs are noted below.

Emergency Medical Services
Nursing
Opticianry
Respiratory Therapy
Dental Assisting
Pharmacy Technician

American Sign Language
Early Childhood Education
Substance Abuse Counseling Education
Accounting
Automotive Technology
Welding

Reynolds has not yet determined that the programs noted below meet the licensing requirements for the states and U.S. territories other than Virginia. Prior to enrolling in a program at Reynolds leading to external licensure or certification, we recommend that a student contact the state board or agency of the program in the state they wish to practice for the most complete and up-to-date information pertaining to licensure and certification. In addition to educational requirements, an agency or board may require additional criteria be met for licensure. Click [here](#) for contact information of state licensing agency bodies, by program (open bookmark to select program)

Additional helpful licensing information can be found [here](#).
