### **HOW OFTEN DO CLASSES MEET?**

- Classes meet FOUR DAYS A WEEK, Monday – Thursday
- DAY AND EVENING classes will be offered during the SPRING program
- Additional time may be required outside of the scheduled class time for tutoring, program activities, and Middle College special events. **Attendance is mandatory for all scheduled classes and events.**

## **WHAT IS THE LENGTH OF THE MIDDLE COLLEGE PROGRAM?**

- The Middle College program is a ONE SEMESTER program
- The SPRING semester is approximately 13 weeks long
- While preparing for the GED, students will also receive assistance with enrolling in college, applying for financial aid and scholarship opportunities, identifying an academic/vocational plan, and registering for classes.
- One year of follow-up services will be provided for all program participants

## **WHAT IS THE APPLICATION PROCESS?**

1. Submit an application
2. Schedule TABE TEST dates by calling 523 - 5345  
(APPLICANTS are responsible for scheduling testing dates)
3. Practice your skills independently (optional, but recommended)
  - Review the rules and processes for the following areas BEFORE coming in to test: multiplication tables, long division, percents, fractions, decimals, ratios & proportions, positive/negative numbers (integers)
  - Practice your math skills at [www.thatquiz.org](http://www.thatquiz.org). We have created some quizzes to help you review your math skills. At the main page, enter any of the following codes in the upper left hand corner and choose any “student” from the drop down box: DPLE9874, BPAZ4459, GSDE2750, YVOZ1999, XLKK2134.  
\*\*\*\*\*This website is not affiliated with JSRCC or the Middle College
  - Read as much as possible. Search for articles and books that interest you.

### Testing sessions will include:

- A Middle College program overview
- Completion of the Reading and Math portions of the TABE (Tests of Adult Basic Education) tests
- Completion of a writing sample in the form of a short essay

All applicants who have completed testing will be contacted.

- Applicants who have met the minimum 9<sup>th</sup> grade requirement will be contacted for an interview to review their results and further discuss their qualifications for the program. Students will also be tested on their multiplication tables during this interview.
- Acceptance into the program will be based on test results, applicant follow-through, and the interview.
- Applicants who have not met the 9<sup>th</sup> grade minimum requirement will be provided referral paperwork and contact information about local community adult education programs.
