## ***Executive Women International Adult Students in Scholastic Transition Scholarship Program***

ASIST is a flexible scholarship program that addresses the needs of adults who are working to improve their situation in life through education. The Richmond Chapter of EWI partners with Reynolds and other colleges and community agencies to identify potential ASIST candidates. Students first apply and compete at the local Chapter level. This year a \$2,000 scholarship will be awarded to ten applicants.

The ASIST award is available for socially, physically and/or economically disadvantaged adults, displaced homemakers, and/or heads-of-household who are responsible for small children or disabled or elderly adults. This need-based award can be used for tuition or other education-related expenses. The ASIST program benefits students who, for a variety of reasons, are facing work/life challenges. The applicants are either single parents, individuals just entering the workforce or displaced workers. It benefits students who, for a variety of reasons, are facing work/life challenges.
