**Community Invited to Participate in Survey as Part of Search for  
Reynolds Community College's New President**

RICHMOND, Va. (February 13, 2018) – The initial stages of a nationwide search process for the next president of Reynolds Community College are now underway. As Dr. Gary L. Rhodes prepares to retire as president in September 2018, the college and the Virginia Community College system will conduct a comprehensive, community-focused search for his successor.

Reynolds invites the community to provide input into the selection of the next college president by participating in a brief, web-based survey. A link to the survey can be found on Reynolds' website at [www.reynolds.edu](http://www.reynolds.edu). Responses will become part of the material considered by the Reynolds College Board in the search process. The survey will be available through 5:00pm on Monday, February 19, 2018.
