1. APPLY

Apply online at reynolds.edu and receive your Empl ID (student ID). Be sure to send in transcripts from your high school or previous college if they are required.

2. MyReynolds

Use your Empl ID to set up your MyReynolds account. See page 16 for details about MyReynolds. Important information will be sent to your Reynolds email account, so it is important to check it regularly.

Speak with an advisor at any campus Student Success Center. Our academic advisors can help you select the classes you need to complete your program and graduate on time.
What type of student am I?

“Curricular” students are working toward a degree or certificate at Reynolds and are eligible for financial aid.

“Non-curricular” students may be taking some classes, or perhaps have not yet enrolled in a degree or certificate program. Non-curricular students are not eligible for financial aid.

Are you a veteran? A high school student? A student at another college? Learn more about your specific admissions requirements at reynold.edu/steps.

Financial Aid

To ensure that financial aid awards are made in time for students to register for classes and pay their tuition and fees with an approved award, students should be admitted into an eligible program of study and complete the Free Application for Federal Student Aid (FAFSA) in sufficient time to ensure that it is received by the Pell Processing Center no later than:

September 15, 2014 for Spring 2015
April 15, 2015 for Fall 2015

If necessary, corrections and/or verification documents required to complete the FAFSA should be submitted promptly to a campus Student Success Center. The deadline for submitting requested documents to correct and/or verify the data on the Student Aid Reports (SARs) is 10 business days from the date of the Financial Aid office correspondence sent to the student. A student should be prepared to pay tuition and fees if corrections are processed by the Financial Aid office after November 17, 2014 for Spring 2015; April 15, 2015 for Summer 2015; and June 15, 2015 for Fall 2015.

Students may apply late for financial aid, but there is no guarantee that award eligibility and notification will be in time to assist with tuition, fees, and books for the current registration.

Students who are eligible and have been awarded financial aid will receive an email listing the types and amounts of aid. Anticipated financial aid will be automatically posted to student accounts, and tuition and fees will automatically be charged to each student’s financial aid after the last day to drop a class with a refund. If financial aid is not enough to cover all charges, the amount remaining is the responsibility of the student and is due according to the tuition payment deadlines found on page 4. Students with web access may use MyReynolds to check on their financial aid and student account. After logging into MyReynolds, students may view their financial aid and student account in the Finances section of the Student Center.

Satisfactory Academic Progress

Students must maintain Satisfactory Academic Progress (SAP) to receive financial aid. Satisfactory academic progress means successfully finishing your program of study within an acceptable time frame.

For more information about SAP, visit reynolds.edu/financialaid.

Purchasing Books Using Financial Aid

Financial aid recipients may charge books to their aid from January 5, 2015 – January 28, 2015. The following stipulations apply to the process of book purchasing:

- You must be enrolled in classes to charge or return books.
- You must have financial aid funds available after tuition and fees are paid. If your only financial aid award is the Commonwealth Grant or Part-Time Assistance Program (PTAP) grant, you cannot charge books.
- Try to make all of your purchases at one time.

It takes 24 hours from the moment you enroll in classes until you can start charging books in the bookstore.

To ensure you are able to begin charging books on January 5, 2015 please register for your classes on or before January 2, 2015.

Here are the maximum amounts you will be allowed to charge against your financial aid in the bookstore:

1-5 credits ...........................................$200
6-8 credits ...........................................$400
9-11 credits ...........................................$600
12-14 credits .......................................$800
